TRAUMA INTERVENTION PROGRAM ANNUAL REPORT

January 1, 2022 - December 31, 2022

DEAR TIP FRIENDS,

IT'S BEEN ANOTHER unparalleled year as TIPNW has navigated to find “normal” in the aftermath of the pandemic. We’ve seen firsthand that the last several years have weighed heavily upon everyone, but **we are proud to report that in the face of adversity, TIP Staff and Volunteers have shown great strength and resilience.**

We have seen a record demand for our assistance, and despite these challenges, **we have been able to step up and do more for our community than ever before.** With increased support from our donors and supporters, we have added one staff position and continue to provide essential emotional support to hundreds of people who have been profoundly affected by crisis, traumatic events and what we call “daily disasters” in people’s lives.

As we look back on the past year with pride, we confidently look forward to the coming year. With the aid of our dedicated staff, volunteers, and supporters, we will continue to provide those in need with the emotional and practical support they need and deserve. Our goal is simple yet ambitious: ***to ensure that no one within our community suffers alone.***

At TIPNW, we are “always ready... always there,” putting a human touch on crisis.

We thank you for your commitment to our cause and for believing in our mission.

In TIP Spirit,
June Vining,
Executive Director

WHAT IS TIP?

Trauma Intervention Program NW, founded in 1992, is a group of specially trained and thoroughly screened volunteers who provide emotional and practical support to victims of traumatic events and their families in the first few hours following a tragedy.

TIP Volunteers support family members and friends following a suicide, natural or unexpected death; victims of crime; victims of fires; drownings; people involved in motor vehicle accidents; witnesses to crimes and people who are affected by gang and gun violence.

Since TIP is a 501(c)3 nonprofit organization, every generous donation is tax deductible. **Services are provided to clients and their families free of charge and are made possible by donations from local government, businesses and individuals.**

Local volunteers are trained to respond immediately to a crisis situation **24-hours a day, 365-days a year**. On average, TIP Volunteers respond to 168 calls per month.

THE TIP MISSION

Our volunteers provide emotional first aid to survivors of tragedy in order to ease their immediate suffering and facilitate their healing and long term recovery.

"On that night, my whole life was turned upside down, watching my husband of almost 39 years die right before my eyes, was so traumatic for me. But the TIP Volunteer was right there, so quick and caring. I felt at ease with her, she made me feel so comfortable with her presence. She showed me so much empathy and compassion." - TIP Client

TIPNW BENEFACTORS

Our annual fundraiser, HEROES with HEART was held in October 2022, celebrating 30 years of TIP support in the Pacific Northwest. **The event was held at the ilani Casino, and was blessed by leaders of the Cowlitz Indian Tribe.**

Executive Director, June Vining, shared heartfelt insights on the TIP skills people can utilize in their own lives, as well recounting what **30 years with TIP** has been like for her personally and professionally.

Attendees enjoyed bidding on both raffle and live items, participating in games, and of course two most adorable TIP Puppies. TIPNW is thrilled to share that this is the **most successful HWH fundraiser to date, raising over \$100,000.**
