TRAUMA INTERVENTION
PROGRAM NORTHWEST

HEROES *with* HEART

EVENT OVERVIEW

Please join us for TIP's Heroes with Heart Dinner & Awards Ceremony on Saturday, 10.10.2026.

This year, Trauma Intervention Program NW is celebrating 34 Years of Service in the Northwest!

We are thrilled to celebrate our 34-year mission of community members making a difference in the lives of those affected by crisis.

TIP Volunteers comfort the grieving, honor the deceased, and protect the vulnerable from further trauma. Working alongside emergency responders, TIP Volunteers have the unique opportunity to quietly step in to meet the needs of those dealing with such situations.

All funds raised at this event directly support TIPNW's mission to deliver effective, supportive services and resources to all citizens in crisis in the NW; including Multnomah, Clackamas and Clark Counties, as well as the Columbia River Gorge.

Involvement can change the face of a community.

Providing emotional and practical support to victims immediately following a traumatic event dramatically alters their fixed memory of the event and their need for long-term mental health support. TIP Volunteers get into the "grief pit" alongside those we are called to help and show them how to put one foot in front of the other.

Your support provides the critical dollars needed to continue our mission.

HEROES *with* HEART

OUR MISSION

Our volunteers provide emotional first aid to survivors of tragedy in order to facilitate their healing and longterm recovery.

Why TIP?

Following a traumatic event, the persons involved often feel helpless, confused and in emotional shock. They are confronted with a situation for which they feel totally unprepared. Often there is no one available in the immediate aftermath of a tragedy to guide the victims. TIP volunteers provide support until the persons involved are able to depend on their own natural support system.

About TIP

The TIP program is unique—volunteers respond within 20 minutes of the time called on a 24/7 basis. TIP benefits the community in a number of ways including saving the emergency response system time and money, involving citizen volunteers in public safety, and providing a valuable service to survivors of tragedy who are often experiencing the worst day of their life.

TIP NW was established in 1992 and has become an integral part of the emergency response system. Over 200 volunteers provide TIP services to more than 12,000 victims of tragic events annually.

What do TIP Volunteers do?

- Provide emotional comfort and support.
- Help arrange for shelter, clothing, food and transportation
- Assist police officers and local medical examiners with death notifications
- Serve as a liaison between victims and the emergency personnel
- Provide information and referrals to appropriate agencies for ongoing support
- Serve as temporary “protectors” for vulnerable victims

In 2025, TIP Volunteers responded to 3,916 scenes of tragedy, assisted 15,842 individuals in crisis and spent 12,233 hours side-by-side with those on their darkest days.
